Advancing
women
on and off
the course.

PGA of America Women's Golf Clinics

Nationwide series of **full day golf clinics** produced in partnership with the PGA of America, led by PGA/LPGA Certified Coaches and held each year **in 12 major markets.**

No other program in the country allows for a full day of **client engagement and skill-building** like the PGA of America Women's Clinics, serving nearly **50,000** executive women and future leaders since 1990.

35-year track record of success getting women into golf for **professional and personal growth.** Add the Clinics to your portfolio of initiatives to drive **inclusion and the advancement** of women at work.

Objectives

- ✓ Empower women in your workforce
- ✓ Engage and retain female clients and customers through **in person interaction**
- ✓ Champion diversity and inclusion

from **Jane Blalock**

27-TIME LPGA TOUR CHAMPION
CEO OF THE CLINIC SERIES

*"This remarkable day of immersion into golf offers a significant opportunity to build and strengthen your organization's **relationship capital**, particularly at a time when we appreciate even more that **face-to-face, in person** engagement."*
